

Каталог цветов Simphony

Каталог цветов содержит более 200 цветов. Отобранные в данную коллекцию светлые пастельные тона позволят создать радостный и гармоничный фон. А более яркими тонами можно освежить атмосферу.

ВНИМАНИЕ!

Цвета, представленные на дисплее, воспроизведены электронным способом. Они не заменяют оригинальные цвета, так как на восприятие цвета влияют, среди прочих, такие факторы, как структура поверхности, блеск и освещение. Перед выбором окончательного цвета рекомендуем проверить цвета каталогов в естественной среде.
